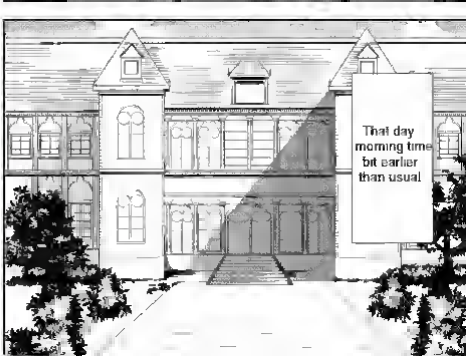
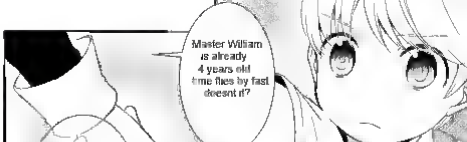
"Shadow"
It's been almost a year since the sadist teacher came.
- Night time -
These 3 suspicious shadows have entered Beryl's house to.....

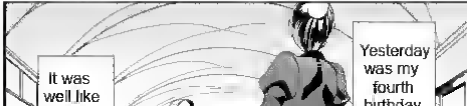


That day morning time bit earlier than usual



Master William is already 4 years old time flies by fast doesnt it?
yeah
So i'd like to stop having to hold hands soon

Yesterday was my fourth birthday
It was well like every year fun..



fu
fun..

My birthday was fun this year as well it was fun
Good morning
hm?
What's wrong?

huh?
why??
Will?
Today s
lessons
are cancelled
John s
mother
is in a
critical
condition
!!
We have
to be on
our way
as well
eh?
eh
both of us ??
Excuse me
for leaving
so abruptly
but its urgent
so ill be on
my way
Yea
Have a
safe trip
yea

I also have previous arrangements with my cousin to attend a tea party and I plan to stay over so I wont be returning today
Yea urgent knight related work suddenly came up
So today it's just me and the maid
Su Sure!
Will can you watch the house while we are gone ?

um
here....

Alright with that i should know if any intruders enter
TA. Prosence detector
気配察知
Well i doubt that theeves would come but it is a world without any security system

Now to hurry to the library before i get played with by the maid

I wonder if the maids will come and find me
oh its already this late
キの気配

No way!!
who came ?
!!
But the reaction came from the main entrance. Maybe it's just a guest
Ahhhhh!!
There are Absolutly evil spirits !!!!

What to do? What can i do! Even in my past life, I never had thieves break in before.....
They are armed ? They aren't thieves but burglars!!!!
!!!
What's Wrong
There is a presance there
Here ?
erase presence
erase presence

Documents concerning the Veltor Family
And the abduction of William Beryl
!!
Nah must've been my imagination
lets go our objective is
Just now what did he say!?

My abdnction!?
and also documents on the Veltor House
This is what John was talking about.
The rotten trash's allies ?
Master Will !
Mary

Master Will!
It's time to eat
あわわわ
How bad a timing can you have!!
Eliminate anything that gets in our way
!!!
A maid. What do we do ?
Anything unrelated to our objective does not matter.

Mary is an important family member!!
What is that supposed to mean
That cannot be allowed to happen
Since it has come to this I will make full use of my japanese knowledge
I have to deal with them before Mary gets here ...

Ge
Get out of
But I wont win like this
First
use as much stepping as possible
Physical Ability Enhancement
Mental Power Enhancement
Movement speed Enhancement
Alright

!!
Get Out Of This Residence!!
Good I got their attention! Next

Noooo there is no room for discussion!!!
Wait! this kid is our target
But i couldn't feel his presence at all! he can't be normal
Well it doesnt matter Capture him then make him speak
ahhhh
Ah, I still had presence erasing magic active

Leave it to me
Alright here he comes and its only one
i refuse
wha
So fast!
When there are great numbers its best to run to a narrow corridor

this is japan's
!?
the effects of the doping are awesome
Tackle
ga

ah
Don't run
two to go
Capture him quickly using magic
Understood
Restraint
!?

A restriction spell that is like a spider web
Um the pronunciation was
It was Restraint
like this
!?

Restraint
!!!

Master Will where are you?
!!
I should have just restrained them to begin with
ah...
Ah right.
to Save Mary I was quite desperate but.
I defeated three adults on my own...

These guys were after me and the documents in the Veltor family...
this is bad.. i better hide these guys and show myself
Master Will !!
But... his mother is supposedly in a critical condition
is it maybe related ? John being called back?
i hope they come back soon
I would like to consult someone in this matter but neither father nor mother are here

To think that i would come back to this nest of demons once again
If my mother was not in a critical condition
Good grief.....

!?
Oh
if it isn't
John
You
came back
because
you were
worried about
me being in a
critical condition
DOG
